Chair Harris called executive session II of the School Committee to order at 10:43 PM. Chair Harris turned the meeting over to Superintendent McCall who updated the Committee on meetings held and the status of negotiations with SEIU Local 888 – ABA Program Assistants and meetings held and the status of negotiations with AFSCME Council 93 Local 2885 – Custodial Employees. Superintendent McCall reported negotiating teams for both bargaining units are looking at one year contracts, though nothing has been finalized at this point. Members Brown and Mills, who sit on negotiating teams, both provided updates on these negotiating sessions. Member Mills would want to suggest that legal counsel sit at the negotiating table(s) next year, especially when negotiations with the WREA commence. Some members asked questions about these negotiations. The Committee will be kept apprised as negotiations move forward.

Chair Harris explained that the draft minutes of the May 6, 2014 executive session will not be addressed during this executive session, since the member who requested approval be done in executive session,

due to a question, was not in attendance. Approval of the May 6, 2014 executive session minutes will be addressed at the next School Committee executive session.
