Dear Ms. Tisa:

In a letter from the United States Environmental Protection Agency (USEPA), the Town of Princeton received an Approval to clean up and dispose of PCB-contaminated building materials in the Thomas Prince School located in Princeton, Massachusetts (the Site). The conditions of the Approval were provided in the Approval letter as Attachment 1, titled PCB RISK-BASED CLEANUP AND DISPOSAL APPROVAL CONDITIONS THOMAS PRINCE SCHOOL (the Site) PRINCETON, MASSACHUSETTS. By way of this correspondence, the Town of Princeton provides written notification of the acceptance of the conditions of the Approval and thus has complied with item 9 of the Approval.

Thank you for your assistance in this matter.

Sincerely,
The Town of Princeton

John Lebeaux
