

Dear Dawson Families:

Dawson is proud to continue the breakfast program this coming school year. Beginning on August 28, 2018 for those who choose to participate, we will offer a nutritional brown bag breakfast. All students are eligible to participate including those in the before school program.

Studies have consistently shown that students who eat breakfast benefit nutritionally and educationally. Starting the day with breakfast has been associated with improved academic performance, improved classroom behavior and attentiveness, and fewer visits to the nurse. All you busy parents will benefit, too. Your children will receive a healthy, balanced, and affordable meal at school that eases your hectic morning rush.

Cost:

Breakfast - \$1.50

Lunch - \$3.00

We are including information and facts related to free and reduced meals as we want this program to be accessible to all of our students. Online and printable applications are available at www.wrsd.net/foodservices

We encourage all of you to give this program a try and we welcome your feedback.

In partnership,

Melissa Wallace and Shannon Bischoff
