

EXTREME ROCKETRY CLUB

Are you interested in space? Are you interested in rockets? Do you enjoy problem solving? Do you enjoy building working models? Do you like to have fun?

If you answered, “YES” to any of these questions then EXTREME ROCKETRY is for you!!

Join Mr. Sweeten for 6 weeks of fun, while learning and building your own reusable model rocket. On the last day we will launch your rocket 1000 feet into the atmosphere!!!

We will be building a Level 2 Estes Photon Probe Rocket which is different from last time. All materials will be supplied to students and they will keep the rockets at the end.

Let’s ignite lifelong, enthusiastic and effective learning together while building friendships AND confidence!

NO EXPERIENCE NECESSARY

Dismissal Details and registration confirmation

On the day of the course, students will be dismissed to the instructor's room. Parents are required to pick up their students at 4:45 at the main lobby. If your child is enrolled in the afterschool program for that day, they may also be released to that program. If you provide a snack, your child may eat it during the course time. I will email all families of students who are in the club and I will return all forms and checks to students who did not get in. Students will be accepted on a first come first serve basis.
