Philosophy

This basketball school stresses individual instruction focusing on the fundamentals of basketball for all levels from beginner to advanced. Energy, enthusiasm, camaraderie, team play and sportsmanship are also emphasized.

Director: Tom Gibbons
Wachusett Regional Head Coach

The Wachusett Basketball strong tradition continues under Coach Tom Gibbons and his staff. This year's team once again qualified for the State Tournament. Wachusett earned a spot in the tournament for the 17th time in the last 18 years and was undefeated in the Mid Wach A. An energetic and enthusiastic leader, Gibbons completed his 19th season as head coach of the Mountaineers. He has established Wachusett as one of the elite programs in Central Massachusetts. Coach and his staff will focus on the little things that will help to make you a better player. Camp staff includes Varsity, JV, and freshmen coaches, along with past and present Wachusett basketball players, local high school and college coaches. A certified Athletic Trainer is on site full time every day. Coach Gibbons' goal is to make this week a positive experience for every child that attends!
