Chair Duncan Leith called the executive session to order at 8:21 PM and asked Vice chair Donald Benson to be acting secretary.

Chair Leith gave a summary of events to date and reported that he was led to believe that a contract buyout could be accomplished for the same cost as the buyout plus the salary for a new superintendent.

Following inquiry, Chair Leith advised the Committee that copies of the executive session Management Subcommittee meeting would be distributed to new members.

Discussion continued on the history of the process to date and the need to provide a response to the Superintendent's latest offer.
